

Grants by Grant Cycle

Grants matching your search for 2009-10 Local Enforcement Agency Grants - Twentieth Cycle (EA20)

Alameda County

Grantee: Alameda County

Amount Awarded: \$28,572.00

Grantee Contact: Ms. Karen Moroz

CalRecycle Grant manager: Elaine Novak

Project Summary: The goal of our solid waste program is to protect public health, safety, and the environment with regard to solid waste facilities within our jurisdiction. The Alameda County Department of Solid & Medical Waste Management intends to use the FY 2008-2010 LEA grant funds to pay a portion of the salaries for individuals directly involved in carrying out the solid waste program.

Total Awarded for County:\$28,572.00

Alpine County

Grantee: Alpine County

Amount Awarded: \$15,545.00

Grantee Contact: Mr. Dennis Lampson

CalRecycle Grant manager: Linda McElroy

Project Summary: The goal of the Alpine County Local Enforcement Agency is to protect public health, safety and the environment with regard to solid waste facilities within our jurisdiction. The Alpine County LEA intends to use EA20 grant funds for LEA personnel (Administrative, Consultation, R.E.H..S Salary, misc.) to perform LEA duties within our jurisdiction.

Total Awarded for County:\$15,545.00

Amador County

Grantee: Amador County

Amount Awarded: \$16,332.00

Grantee Contact: Mr. Michael W. Israel

CalRecycle Grant manager: Linda McElroy

Project Summary: The goal of our solid waste program is to protect public health, safety and the environment with regard to solid waste facilities within Amador County. This grant provides supplemental funding to the County program for solid waste permitting and enforcement activities. All program activities are current mandates on the County to provide this level of service to the community in order that the public health and the environment are not adversely impacted by solid waste handling , storage or disposal practices. Amador County Environmental Health intends to use the FY 2009-2010 LEA Grant funds for a portion of the LEA staff salaries and office maintenance.

Total Awarded for County:\$16,332.00

Butte County

Grantee: Butte County

Amount Awarded: \$18,651.00

Grantee Contact: Mr. Michael Huerta

CalRecycle Grant manager: Elaine Novak

Project Summary: Solid waste permit fees and landfill tonnage fees have been established to fund monthly landfill inspections. Fees are not adequate to fund additional staff hours necessary to continue program improvements including investigation of illegal landfills, participation in LEA and Integrated Waste Management Board coordination, activities, program uniformity, meeting participation, regulation review/comment activities.

Total Awarded for County:\$18,651.00

Calaveras County

Grantee: Calaveras County

Amount Awarded: \$19,069.00

Grantee Contact: Mr. Paul Feriani

CalRecycle Grant manager: Linda McElroy

Project Summary: The LEA's goal is to regulate the proper storage, collection and disposal of residential, commercial and industrial solid waste. This is mainly accomplished through education, inspections and enforcement activities. The LEA Enforcement Assistant Grant will be used for training and to purchase/maintain equipment that supports the solid waste permit and inspection program. The majority of the grant is used towards the purchase of a vehicle for LEA staff to use while conducting solid waste activities such as inspections, compliant investigations and to attend solid waste training. The remainder of the grant is generally used to purchase health and safety equipment and training. The grant funds are very much appreciated in this rural County.

Total Awarded for County:\$19,069.00

Colusa County

Grantee: Colusa County

Amount Awarded: \$16,222.00

Grantee Contact: Mr. Craig Erickson

CalRecycle Grant manager: Linda McElroy

Project Summary: The goal of our solid waste program is to protect public health, safety and the environment with regard to solid waste facilities within our jurisdiction. The LEA's primary focus is the permitting, inspection and enforcement at the solid waste operations and facilities within Colusa County. Colusa County Environmental Health Division, as LEA, intends to utilize the approximate sum of \$16,166.00 from the Enforcement Assistance Grant EA-20 to supplement the salary of the required LEA position.

Total Awarded for County:\$16,222.00

Contra Costa County

Grantee: City of Pittsburg

Amount Awarded: \$15,971.00

Grantee Contact: Ms. Laura L. Wright

CalRecycle Grant manager: Linda McElroy

Project Summary: The Pittsburg LEA will use the funds for inspection vehicle expenses. The Funds will be used to continue programs, education and outreach to residents on materials that cannot be disposed of in a landfill/transfer station such as sharps, mercury and other HHW materials. The funds will also support computers, software, electronics and other monitoring equipment.

Grantee: Contra Costa County

Amount Awarded: \$25,507.00

Grantee Contact: Parna Kamyabfar

CalRecycle Grant manager: Linda McElroy

Project Summary: The goal of the Contra Costa Environmental Health Division (Contra Costa LEA) Solid Waste Program is to protect public health, safety, and the environment with regard to solid waste facilities within our jurisdiction. Contra Costa Environmental Health Division intends to utilize the FY 2009-2010 LEA Grant funds on personnel, training, equipment, supplies, inspections and technical support costs for enforcement staff who perform inspections at solid waste facilities in Contra Costa County.

Total Awarded for County:\$41,478.00

Del Norte County

Grantee: Del Norte County

Amount Awarded: \$15,737.00

Grantee Contact: Melody M. Cannon

CalRecycle Grant manager: Linda McElroy

Project Summary: STATEMENT OF USE - The goal of del Norte County Department of Health and Human Services is to promote the health of Del Norte County's community by: Continuing development and implementation of a comprehensive solid waste program for effective, reliable and economic handling of solid waste for Del Norte County without adversely affecting community safety by damaging the environment of our natural resources.

Promote public education and awareness of issues related to source reduction, re-use, recycling and composing. Funding for FY 2009-2010 will be used for personnel costs, minor equipment repairs, travel and education related to solid waste facilities permit and inspection activities .

Total Awarded for County:\$15,737.00

El Dorado County

Grantee: El Dorado County

Amount Awarded: \$18,373.00

Grantee Contact: Michael Deatherage

CalRecycle Grant manager: Linda McElroy

Project Summary: the goal of our solid waste program is to protect Public Health, Safety and the environment with regard to solid waste facilities within our jurisdiction.

The El Dorado County Local Enforcement Agency intends to use those grant monies received to compensate Placer County for performance of solid waste permitting and enforcement activities within El Dorado County. This arrangement between the neighboring counties is sought to effect cost efficiency.

Total Awarded for County:\$18,373.00

Fresno County

Grantee: Fresno County

Amount Awarded: \$28,872.00

Grantee Contact: Mr. Adan Ortiz

CalRecycle Grant manager: Linda McElroy

Project Summary: Goals and Objectives:

The goal of the solid waste program is to promote compliance with state and local regulations as it pertains to the collection, handling, storage and disposal of residential, commercial and industrial waste in an effort to protect the air, water, and land from pollution and to ensure public health and safety.

Fund Allocation:

the Fresno County Department of Public Health, environmental Health Division, proposes to utilize the FY 2009-10 enforcement Grant Funds for staffing needs associated with implementation of the County's enforcement Program Plan. Remaining grant funds will be allocated towards training to maintain program certification and for professional and specialized services. interest earned will be utilized to offset personnel costs.

Total Awarded for County:\$28,872.00

Glenn County

Grantee: Glenn County

Amount Awarded: \$15,736.00

Grantee Contact: Mr. Kevin Backus

CalRecycle Grant manager: Linda McElroy

Project Summary: The enforcement assistance grant will be utilized to directly support the Glenn County Local Enforcement Agency in inspecting and monitoring the Glenn County Landfill, three composting operations, closed sites and other solid waste activities. The grant funds will be maintained in a separate account within the Glenn County Health Services Department budget, as required in the Enforcement Assistance Grants Program Financial Control Mechanisms document. Expenditures will be divided between equipment, training, professional and consulting service as and LEA staff salaries.

Total Awarded for County:\$15,736.00

Humboldt County

Grantee: Humboldt County

Amount Awarded: \$18,589.00

Grantee Contact: Ms. Carolyn Hawkins

CalRecycle Grant manager: Linda McElroy

Project Summary: This certified LEA oversees 65 active solid waste sites (operations, facilities, closed municipal solid waste landfills and burn dumps) and numerous nuisance dump sites. We educate private citizens and businesses, respond to their requests as well as various agency requests for service. Other funding for the LEA Program is derived from a portion of the local solid waste tipping fee (currently \$2.56 per ton), solid waste operation/facility inspection fees and project review fees (\$136.00 per hour). We will use the EA 20 grant funds to augment our program revenue to provide staff salaries and staff training.

Total Awarded for County:\$18,589.00

Imperial County

Grantee: Imperial County

Amount Awarded: \$21,566.00

Grantee Contact: Mr. Lars Seifert

CalRecycle Grant manager: Linda McElroy

Project Summary: The goal of our solid waste program is to protect public health, safety, and the environment by ensuring that solid wastes are properly managed within our jurisdiction. The Imperial County Department of Public Health, Local Enforcement Agency, intends to utilize the FY 2009/2010 EA Grant funds for staff training, supplies, and technical equipment to support LEA staff in the performance of their permitting, inspection, and enforcement duties at solid waste facilities within our jurisdiction. Funds may also be allocated to support illegal dumping code enforcement activities to be managed by the imperial County LEA and for the maintenance and replacement of vehicles assigned to LEA staff. Any remaining funds or interest earned will be used for salary offsets.

Total Awarded for County:\$21,566.00

Inyo County

Grantee: Inyo County

Amount Awarded: \$17,805.00

Grantee Contact: Mr. Marvin Moskowitz

CalRecycle Grant manager: Linda McElroy

Project Summary: We will continue to use LEA grant funds for salary and benefits for enforcement staff who perform inspections at our solid waste facilities. Priority items include routine inspections, permit reviews and revisions, enforcement actions to eliminate any ongoing violations and illegal site cleanup actions.

Total Awarded for County:\$17,805.00

Kern County

Grantee: Kern County

Amount Awarded: \$32,385.00

Grantee Contact: Ms. April McCuan

CalRecycle Grant manager: Linda McElroy

Project Summary: STATEMENT OF USE:

Funding received through the Local Enforcement Agency grant program will be used to offset staff costs related to inspection, training, enforcement activities and over-site of the solid waste program.

The goal of the Environmental health Services Department, as the Local Enforcement Agency, is to ensure that solid waste activities are operated in conformance with the regulations of the State of California, and that the protection of public health, safety and the environment is held as the highest priority.

Total Awarded for County:\$32,385.00

Kings County

Grantee: Kings County

Amount Awarded: \$19,809.00

Grantee Contact: Jeff Taber

CalRecycle Grant manager: Linda McElroy

Project Summary: The goal of our solid waste program is to protect public health, safety, and the environment with regard to solid waste facilities within our jurisdiction.

The LEA grant funds and any interest earned would be used towards improving our solid waste enforcement program. Those expenses would include training for enforcement staff (including travel within the state), the purchase of equipment and materials used for inspections and salaries and benefits for environmental health personnel to handle expected workload in FY 2009-2010 from anticipated applications for new or revised solid waste facility permits, inspections and other activities in the solid waste enforcement program.

Total Awarded for County:\$19,809.00

Lake County

Grantee: Lake County

Amount Awarded: \$17,046.00

Grantee Contact: Mr. Raymond Ruminski

CalRecycle Grant manager: Linda McElroy

Project Summary: The goal of Lake County's Solid Waste Enforcement program is to protect public health, safety and that of the environment with regard to solid waste facilities in our jurisdiction. The Environmental Health Division intends to use the FY2009/10 LEA Enforcement Agency Grant EA20 funds to pay personnel expenses (wages and salaries) for Environmental Health staff working in the LEA program.

Total Awarded for County:\$17,046.00

Lassen County

Grantee: Lassen County

Amount Awarded: \$17,389.00

Grantee Contact: Mr. Alan Jones

CalRecycle Grant manager: Linda McElroy

Project Summary: Lassen County -

1. Support enhancement of the LEA solid waste landfill permit and inspection programs through a contract agreement between Lassen County and Local Public Health Services.
2. Postage, copies, communications and other miscellaneous office expenses associated with LEA functions in solid waste.
3. Expenses associated with computer and audio/visual equipment to be used to support LEA activities in solid waste.
4. Travel expenses associated with LEA EHS mandated training and meeting requirements.

Total Awarded for County:\$17,389.00

Los Angeles County

Grantee: City of Los Angeles

Amount Awarded: \$56,598.00

Grantee Contact: Mr. Andy Kao

CalRecycle Grant manager: Linda McElroy

Project Summary: The City of Los Angeles Local Enforcement Agency (LEA) received its initial certification in March 1992. Since then it has been this our goal to insure that `all solid waste facilities are properly established, operated and managed in a manner that adequately protects the public health and the environment and maximizes the safety of the workers, `.... to pursue a policy of regulatory compliance....`

The LEA is applying for the 2009-2010 Landfill Enforcement Grant to further assist our program in reinforcing its goal and achieve efficiency. The LEA would like to use part of the grant for a consultant contract, which is primarily utilized for engineering review of Reports of Facility Information, closure plans, and other technical documents. The LEA would like to use the remainder for staff attendance of conferences and associated travel, office supplies, professional certification and membership fees, and field equipment and its maintenance.

Thank you for assisting us in this application package and we look forward to working with you in the future. Your staff has been most helpful. If you have any questions, please call me at 213-978-3068.

Grantee: City of Vernon

Amount Awarded: \$15,537.00

Grantee Contact: Mr. Leonard Grossberg

CalRecycle Grant manager: Linda McElroy

Project Summary: The goal of our solid waste program is to maintain a strong public health & safety program and to protect the environment with regard to solid waste facilities within our jurisdiction.
